Dear HIRSP Policyholder,

Enclosed is a HIRSP Remittance and Status Report detailing the status of processed claims that should be paid to you. A check for payment of these claims is enclosed if a payment determination was made. You may have submitted these claims to HIRSP yourself, or your provider may have submitted them on your behalf. Claims will not appear on this report if payment is being made to your provider. You will receive a HIRSP Remittance and Status Report each week that at least one claim has been processed.

The HIRSP Remittance and Status Report is the best tool for understanding HIRSP claim payments and for identifying the reason for denials.

The attached item-by-item description explains the basic information that will always appear on the HIRSP Remittance and Status Report.

If you have any questions about your HIRSP Remittance and Status Report, forward a copy of it, with your questions, to the address listed above. Or you can contact HIRSP Customer Service at the phone numbers also indicated.

Sincerely,

HIRSP Customer Service
